## SafetyNet Technology

**Standby servers and support from the most experienced recovery technicians in the world.**

- Up to 8 servers and tape devices provided at a SunGard Recovery Centre, or delivered where they are needed, within guaranteed timeframes.
- Includes technical assistance.
- Subscription includes:
  - A 6m Mobile Recovery unit (space for 2 racks of equipment and 2 staff).
  - 2 days annual testing at a SunGard Recovery Centre.
- Optional additional testing or testing at the customer site.
- Free 13 week invocation period.
- Flexible payment terms.
- Contract Flexibility.
- Terms and Conditions to enable future growth.
- Option to install standby or live production systems in a SunGard Computer Equipment Room.
- Cost effective flexible solution tailored to the needs of businesses in the Small and Medium sector.
- IT equipment delivered to your site, or available at our site within a guaranteed timescale.
- Support from the most experienced recovery technicians in the world - your staff do not recover systems every day, ours do.
- Vendor Independent solutions.
- No capital investment required for spare equipment.
- Unrivalled contract flexibility.

**Rely on the company that has supported over 1,000 invocations with 100% success.**
